

SPS Junior Travel Award Application

8th Annual Safety Pharmacology Society Meeting
Madison, Wisconsin
September 22-25, 2008

DEADLINE FOR RECEIPT AT SPS: JULY 1, 2008

Eligibility Criteria:

Eligible candidates include students (undergraduate or graduate), technical staff, and junior scientists, post-doctoral fellows (<5 years), and European early career lab heads. Candidates may come from within academia, contract research organizations, pharmaceutical or biotechnology industry, government or be engaged in preclinical research in safety pharmacology. Students are encouraged to apply. The research field can be any area of scientific novelty with application to Safety Pharmacology. Note: students are also eligible to apply for the Student Travel Award.

Required Materials:

1. Application form and summary of research (500 words) sent as an e-mail attachment
2. Resumé or curriculum vitae attached to application form
3. One letter of recommendation from the mentor/supervisor or a faculty member/management. Letters of recommendation/nomination should be signed and sent postal or electronically (e.g. PDF format), or Faxed to the society.

All material should be sent to:
E-mail: SPS Headquarters
Fax: (703) 438-3113
Postal: 1821 Michael Faraday Drive, Suite 300
Reston, VA 20190

Terms of the Award:

The award shall consist of:

- The cost of coach airfare (flight arrangements made no less than 21 days prior to departure) to the Annual Safety Pharmacology Society Meeting, hotel expenses for up to 3 nights. A per diem of \$ 50 for each day present at meeting based on accompanying receipts.
- Registration fee for the Annual Meeting.
- Free SPS membership for 1 year.
- Winners are required to present a poster, attend the poster presentation and the Award announcement for receipt of the award certificate.

NOTE—the poster may also be entered in the Junior Investigator Poster Contest with the submission of an abstract.

The awardees will be notified two weeks after the application deadline and the abstract will eventually be published on the SPS Annual Meeting Web site. The Award is not transferable and must be returned to SPS if the awardee does not present a poster and attend the SPS Annual Meeting & Award announcement (i.e., if the awardee cannot come and sends the poster with a colleague, the colleague cannot claim the travel award).
