

SPS Boston Regional Meeting: Emerging Topics on the Cutting Edge of Safety Pharmacology

Boston, MA – hosted by Vertex 

November 14, 2018

Draft Agenda

- 8:00 am-8:40 am Coffee break sponsored by 
- 8:40 am-8:45 am Introductions
- 8:45 am-9:45 am **Susan M.G. Goody** (Pfizer): *"Examples of Drug-Induced Effects on the Central Nervous System: The Value of Assessments Beyond the FOB"*
- 9:45 am-10:15 am **Patrick Au** (Casebia Therapeutics): *"Preclinical Considerations for Developing CRISPR-Based Gene Therapy Products"*
- 10:15 am-10:45 am **TJ Cradick** (CRISPR Therapeutics): *"Additional CRISPR-Cas Pre-clinical considerations"*
- 10:45 am-11:00 am Break, Posters, Vendors, Networking
- 11:00 am-11:30 am **Vasant Jadhav** (Alnylam): *"Delivering on the promise of RNAi Therapeutics"*
- 11:30 am-12:00 pm **Steven J. Swoap** (Williams College): *"Measuring blood glucose in the mouse continuously: insights into the control of daily torpor"*
- 12:00 pm-1:00 pm Lunch sponsored by  (Lunch, Posters, Vendors, Networking)
- 1:00 pm-2:00 pm **Theodore Baird** (MPI Research): *"Recent developments in the ongoing discussion of NOEL/NOAEL in Safety Pharmacology"*
- 2:00 pm-2:30 pm **Sam Jackson** (NC3Rs): *"The Role of the Functional Observational Battery (FOB) and Irwin Test Models in Safety Pharmacology"*
- 2:30 pm- 2:45 pm Break, Posters, Vendors, Networking
- 2:45 pm-3:15 pm **Kathy Derakhchan** (Shire): *"Evaluation of Cardiovascular Risk Related to a Monoclonal Antibody Mediated Increase in Vascular Endothelial Growth Factor in Conscious Normal Rats"*
- 3:15 pm- 3:45 pm **Todd Wisialowski** (Pfizer): *"HESI ProArrhythmia project"*
- 3:45 pm Reception sponsored by 
(Snacks, Posters, Vendors, Networking)

Poster Information: We encourage attendees to bring posters, including those that may have been presented at previous meetings. To submit a poster for presentation, please contact [Donald Hodges](#).

Thank you to our Vendors and Sponsors!
